Summer session Class/Registration Information:

Summer Classes will be held starting the week of July 25th and run through the week of August 15th. If you are interested in Summer classes, please attend one of the following class placements dates listed below.

NOTE: ALL DWDE Company members will be provided with their schedule and DO NOT need to attend registration.

Registration Dates:

Thursday, June 30th from 5-8pm

Saturday, July 2nd from 10am-1pm

Thursday, July 21st from 5-8pm

REGISTRATION PROCEDURES:

All (New) students should register online via the registration link on the studio website, or click the following [Register ONLINE](#) link **ONLY** after completing the evaluation classes!

Returning students should log-in via the [“Student Account Access Portal”](#) link and update personal information, if needed. We request that adult students/parents/guardians update ANY changes on the account to keep our records as accurate as possible. **Returning students from the 2021-2022 dance year are NOT required to complete a registration form. Returning students' registration forms are valid through the Summer session.**

POLICIES:

Please make sure to read through the D.W.D.E student policies for all necessary information about our summer session. Our student “*Handbook*” can be found on our website under the [“Policies”](#) tab.

CLASS PLACEMENT:

All students are placed according to their physical facility, talent, and ability to apply and retain all technical corrections. Class placement will be carefully reviewed and evaluated by the teachers and director.

We DO NOT post our class schedule on the website!

Returning D.W.D.E: 2021-2022 students will receive their class schedule upon registering for classes.

NEW students to DWDE: During the registration dates listed above, new students will receive a “tentative schedule” of evaluation classes. Students may be asked to demonstrate their technical abilities during

registration/evaluation class placement. The tentative schedule sheet must be given to the teacher before class begins, and at the end of class the teacher will return the sheet to the student with the teacher's decision on the most appropriate class for the student. This schedule must be presented in every class the student is evaluated in. The student may be asked to return to a different class for evaluation at no charge. After evaluation classes have been taken, the completed form should be returned to the main office to enroll the student into classes. Please make sure to read our "student hand book" (located under the "policies" link) for more details about class placement.

Walk In Classes: Students who wish to take a walk in class should contact the main office during regular office hours for class information.

The DWDE Tuition scale can be found on our website under the "[Rates](#)" tab.

"*Individual Unlimited of \$405*" will be per student
