2022-2023 Student Handbook

Welcome to Denise Wall Dance Energy

We would like to take the time to welcome you to Denise Wall's Dance Energy. We are proud to offer the finest in dance education to our students. Regardless of whether a student wishes to pursue dance in college, as a career, dance related careers, or participate for personal development and enjoyment; we are committed to offering each student an education in dance anatomy that is based on the traditions of dance around the world.

All students are enrolled in classes that are suitable for their individual physical facility. Each new student receives a placement evaluation by the teacher and/or director. The placement paperwork must be filled out by all teachers and returned to the main office in order to complete registration.

We are proud to provide a strong foundation which develops students physically, intellectually, culturally, emotionally, and socially through the discipline of dance.

Class Placement:

All students are placed according to their physical facility, talent, and ability to apply and retain all technical corrections. Class placement will be carefully reviewed and evaluated by the teachers and director.

New Students: During registration, new students will be given a tentative evaluation class schedule. New students to DWDE may be asked to perform specific technical movements to assist the teaching staff with student evaluation class placement. All new students' schedules will be finalized during their initial evaluation classes. The "tentative schedule" sheet must be given to the teacher before each recommended class begins, and at the end of class the teacher will return the sheet to the student with the teacher's decision on the most appropriate class for the student. This schedule must be presented in every class the student is evaluated in. The student may be asked to return to a different class for evaluation at no charge. After the student's evaluation classes have been completed and he/she has all teacher initials for recommended classes, the new student will need to [register online](#), read the student handbook, and complete the student handbook signature page upon registering for classes.

Returning D.W.D.E students from the 2021-2022 dance year including new students from the summer session 2022: During registration, returning students will receive their class schedule. Once the teaching staff provides the class schedule, **the parent/student must see an office associate to complete registration and class placement.**

- Each year the teaching staff reviews and restructures ALL class levels. If a student is placed in a class with the same name as their previous year's class, please understand the teacher advances the student's technique and vocabulary based on where the class left off the previous year.
- **Please note: registration is NOT complete until the office staff has received all necessary payments/paperwork and has entered the students schedule into the system.**
- All registration paperwork will be available on the studio website before registration begins. Please download and complete your paperwork prior to registration.
- All students must complete a new "Student Registration Handbook signature page" each year. **PLEASE READ all details within the Student Handbook before submitting your paperwork to the office staff, as this paperwork will include all important details for the upcoming year.**

Poor attendance will have a direct result in placement advancement. Regular attendance is essential to maintain and or advance in your designated level. If an injury occurs, students should still attend class to observe, take notes, and learn the lesson.

Class Etiquette:

Proper dance requires discipline. It is the discipline that is gained in dance training that makes dance such a positive and valuable activity. Students are required to be on time to class and must enter class with proper attire on. See dress code for more information. **Anyone arriving in inappropriate attire or is more than ten minutes late to a class may be asked to observe and take notes during class instead of actively participating. Without a proper warm-up, injuries may occur. Please call the studio if you are missing class or arriving late.**

Absolutely no chewing gum or eating/ drinking (except for water) will be permitted in class. Gum is not allowed anywhere in the dance studio.

Master Classes:

We are fortunate to have master teachers and choreographers conduct classes throughout the year. These classes will usually be held during Denise’s regularly scheduled class days and times, although times may vary based on the master teachers schedule. Student/parents will be notified via email and the Band App when these master classes will be held. At times, Denise will make these master classes MANDATORY, if the material will be used for future training purposes during class time. Please note, there will be an additional fee for master classes. Prior to registering for Denise’s classes, please understand the commitment required.

DANCERS WHO DO NOT PLAN ON PARTICIPATING IN SHOW:

The office must be notified prior to January 14th if not participating in the Performance. This notification is required in order to avoid a costume charge, and the teachers must know how many dancers will be involved in the choreography. There will be a reminder email sent out to notify students of this deadline. At this time, students participating in the show must pay the \$25 Non-refundable performance fee.

Please note that during this busy time, teachers will schedule extra **MANDATORY** rehearsals to better prepare the students for the show. THERE IS NO FEE FOR THIS EXTRA REHEARSALS AND TRAINING! Students in the show are required to attend all regularly scheduled classes! If a student's attendance in regular classes is poor, the teacher may require the student to schedule private lessons to better prepare him/her for the show at the teacher's convenience and studio availability. If the student fails to show up to extra rehearsals or private lessons, the teacher may choose to remove him/her from the piece!

Company class routines are choreographed by outside choreographers. Students who register for company classes and are NOT in company will be placed in a different piece for the show.

The studio will be selling t-shirts for the Performance. The t-shirts are an important way for the dancer and family members to remember the occasion. Each student has the opportunity to create the design for the Performance T-shirt. A detailed email about the T-shirt contest will be sent to the studio in May. The winner will be given recognition in the program and will receive a free t-shirt.

Students, parents, and friends are given the opportunity to support the dancers by purchasing business, and personal ads (including a picture and personal message to the dancer of choice) for the program; as well as, flowers for dancers. See the front office for more details and opportunities.

Private lessons may be set up for those needing extra help, or for those who are interested in perfecting their technique, or for private coaching. *DWDE* directors and instructors are in high demand; therefore, pre-scheduling is required for all privates. ****Cancellations must be made at least 24 hours prior to the time allotted or you will be charged for the lesson****
